

## ***Dermal Therapy* HELPS PEOPLE WHO HAVE TRIED "EVERYTHING"**

Dermal Therapy products use clinically proven ingredients similar to those Produced naturally by healthy skin. Urea draws moisture into the skin while Alpha Hydroxy Acid and enzymes exfoliate dead skin. Pure silk amino acid leaves your skin silky smooth. Copper & zinc are natural skin constituents. Each formulation treats specific skin problems and locations. This approach helps heal & normalize problem skin. Normal skin repair treatments cannot care for your skin this way.
